

5410, THE INN AT SPENCES BRIDGE

\$ 695,000

Spences Bridge, British Columbia

The Inn, located at the original town center of Spences Bridge, has been painstakingly refurbished over the last number of years by the current owners. This is an unprecedented opportunity to own a part of BC history with the purchase of "The Inn at Spences Bridge." Being offered is the oldest operating hotel in the BC originally constructed in the 1860s during the famous Gold Rush. There is a tremendous opportunity to continue to build on the success of the last few years to grow the business even further. The 10,000 sq. ft. building has a great view of the Thompson River along with 12 guest rooms, a guest lounge and bar area, a commercial kitchen and dining area, a manager's suite and an Inn keeper's suite as well. Don't hesitate to call for further information on this once in a lifetime opportunity.
