

BUSINESS FOR SALE

COMMERCIAL PRINTING AND STATIONERY SALES

BUSINESS OVERVIEW

This company, operating from multiple locations – provides both commercial digital and offset printing, as well as sales of office and stationery supplies. Its commercial client base ranges from the hospitality trade to property development; while retail customers have diverse needs and requirements. The business benefits from key client relationships, which in combination of strong focus to customer service and attention to detail, has resulted in business growth from repeat clients as well as new customers.

The business operates in a high-growth region within the South Coast of BC, and its multi-site model allows for flexibility of service and market development. A new owner can take advantage of proven business model and consistent financial results – with minimal additional investment, as it is well-equipped with the necessary equipment and trained staff.
